

Department
for Transport

NaPTAN | NPTG

Technical Working Group - Uploaders

Dr J Harrison
Harbinger of Change

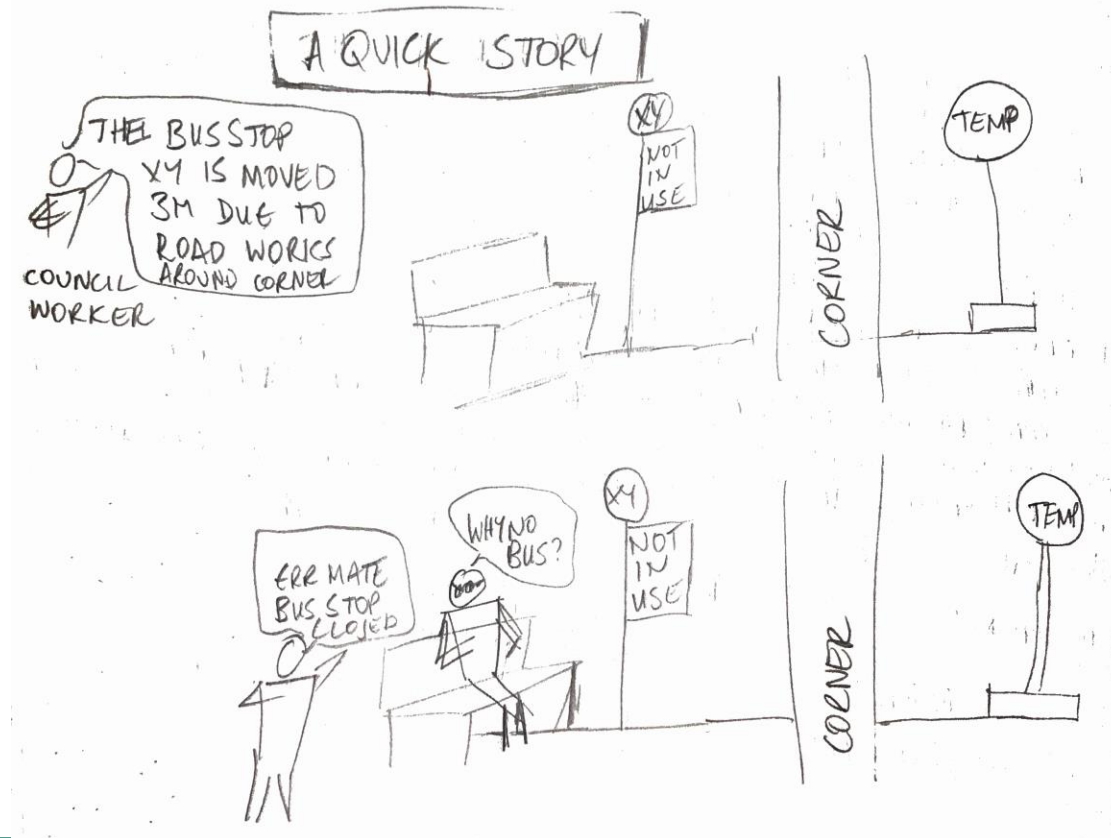

Adrian Falconer
Senior Delivery Manager

17 November, 2020

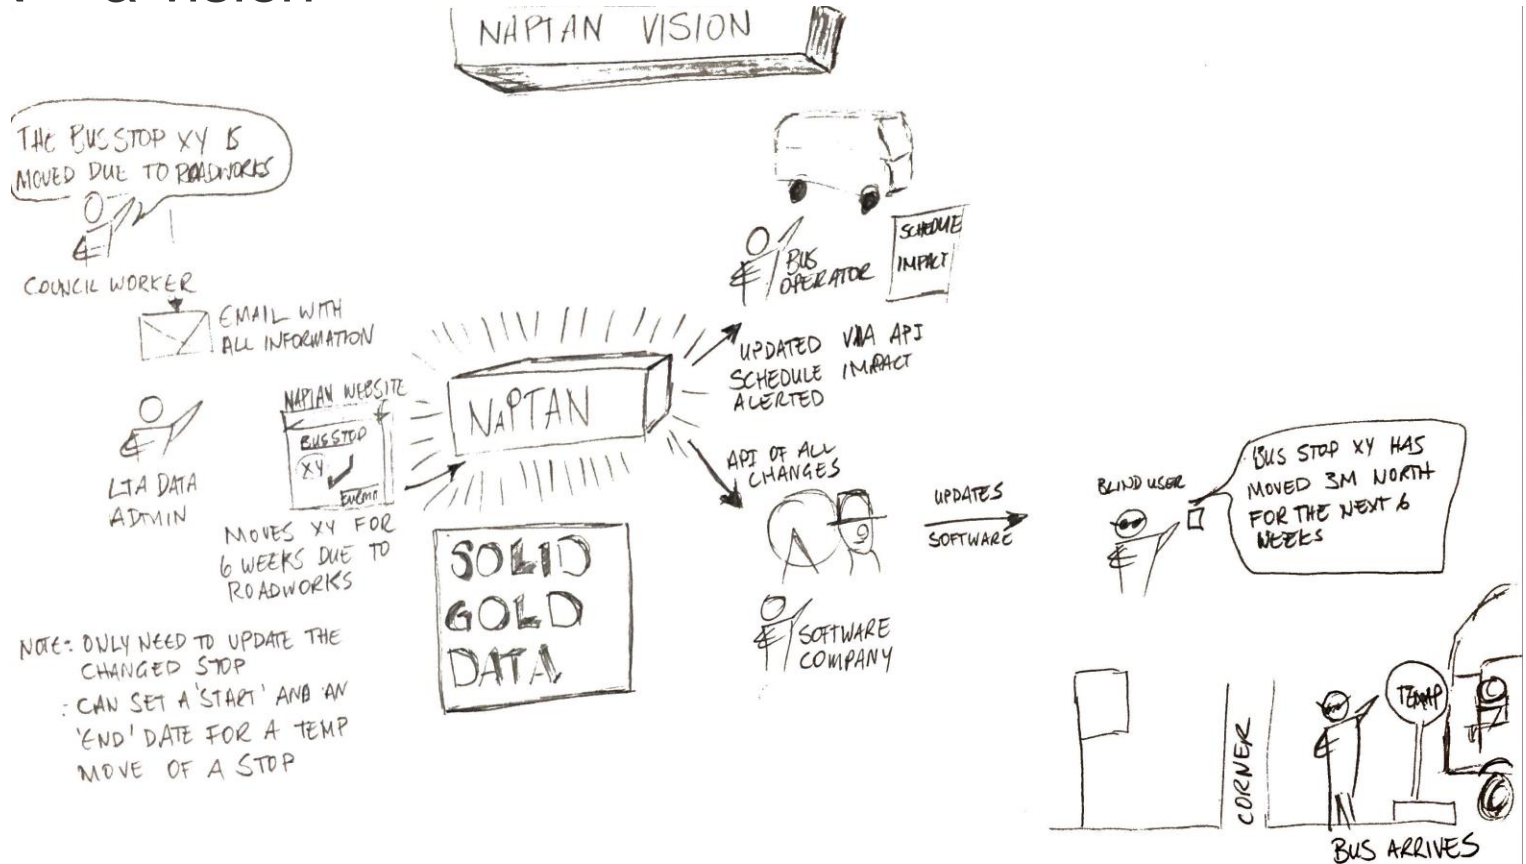

NaPTAN – a story

NaPTAN – a vision

Agenda

1. Icebreaker

2. What is a bus stop?

3. Accessibility

4. Uploading files

5. Data validation/Data Correction

6. One thing we could fix is...

Name (e.g. I'm Dr J)

Pronoun (e.g. My pronoun is They)

What Local Transport Authority/s you work for

What's the best place on the bus? Upstairs or downstairs?

Agenda

1. Icebreaker
- 2. What is a bus stop?**
3. Accessibility
4. Uploading files
5. Data validation/Data Correction
6. One thing we could fix is...

What is a Bus Stop

This might sound obvious...

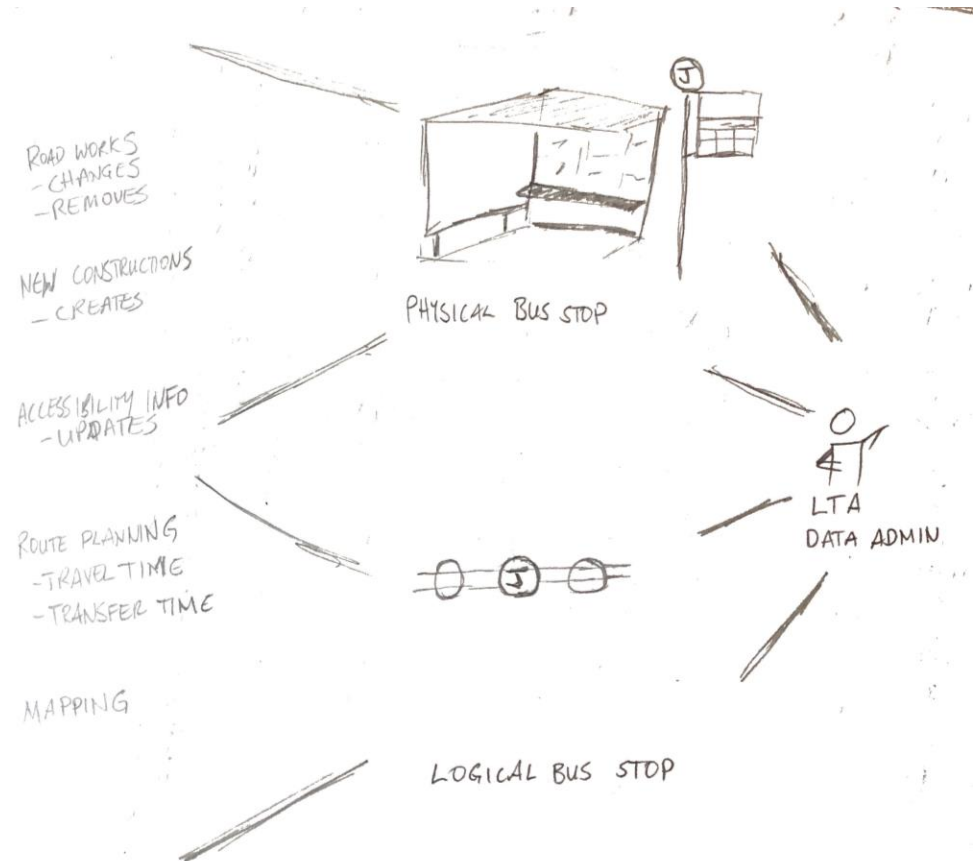

There are two concepts around Bus Stops

- 3. Accessibility**
4. Uploading files
5. Data validation/Data Correction
6. One thing we could fix is...

Accessibility information
- if you could, would
you?

How would you?

What would change for
you?

1. Icebreaker
2. What is a bus stop?
3. Accessibility
4. Uploading files
- 5. Data validation/Data Correction**
6. One thing we could fix is...

I want to hear your woes about this...

What Data do you need to validate?

How do you check it?

Why do you check it?

[Want your feedback](#) - I'm going to note take this time – just talk... <http://bit.ly/dfttopbus>

One thing we could fix is...

You have one post it in Mural

Write on it One thing – Only one! - that we could fix

When everyone has written one we'll group and vote and choose the One thing we could fix

[Add your One thing <http://bit.ly/dfttopbus>](http://bit.ly/dfttopbus)
